There were approximately 350 cows and 30 bulls penned for a decrease of 100 head week-on-week. The usual buying group was present and operating in a slightly easier market. Quality was down on last week which affected price averages as buyers showed firm demand for the plainer offering which held a smaller proportion of good quality heavy weight cows. Prices were from firm to 5c easier, although generally averaged around 2c cheaper, while a better quality run of heavy weight bulls improved 3c to 5c/kg.

Most light and medium weight cows sold from 100c to 128c after a top of 148c/kg. Heavy weight cows made mostly between 120c and 161c after a top of 167c/kg for a pen of C muscle cows with a high yield potential. Heavy weight bulls sold between 145c and 185c/kg.
