

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba Landmark

report date 21 Jul 2014

Yarding Change 741
-119

comparison date 14/07/2014

Numbers decreased 14% on the previous sale. The quality of cows yarded was fair to good, while grown steers and bullocks were mixed. Two major export processors were not operating at the sale and as a result bulls and most classes of cows were cheaper. Restocker buyer interest in store cattle was limited, but light weight yearling heifers found solid demand.

Light weight yearling steers returning to the paddock sold to 172c and averaged 167c, while plainer sorts averaged 138c/kg. Medium weight yearling steers to feed hit 187c and averaged 175c/kg. Heavy weight yearling steers to feed sold around 175c, while a couple of heavy weight yearling steers going to processors at 180c/kg. Light weight yearling heifers to processors sold to 164c, while those to restocker buyers hit 145c and averaged 131c/kg. Heavy weight yearling heifers to the trade sold to 163c/kg.

The plainer medium weight grown steers to export processors sold to 155c/kg. The medium weight grown heifers sold to 147c/kg. Light and medium weight 2 score cows topped at 93c and averaged between 76c and 90c/kg. A few heavy 2 score cows reached 103c and averaged 98c/kg. The medium weight 3 score cows made to 127c and averaged 119c, while heavy weight 3 score cows sold to 120c and averaged 117c/kg. Medium weight 4 score cows sold to 130c/kg. Heavy bulls hit 137c and averaged 128c/kg.
