

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Toowoomba Landmark

report date 01 Sep 2014

Yarding Change <sup>550</sup>/<sub>6</sub>

comparison date 25/08/2014

Numbers remained close to the previous week and young cattle were in the largest numbers along with a handful of heavy grown steers and bullocks and a fair selection of cows. Buyer attendance was good and included most of the major export processors along with the usual panel of feeder operators and some additional restocker buyers. Yearling steers and heifers generally sold to a stronger trend however buyers were selective on lightweight classes. The handful of bullocks averaged 6c dearer, while good heavy cows improved by a further 20c/kg.

Calves to restockers averaged 160c and made to 170.2c, while the few vealer steers also returned to the paddock at 198c with sales to 206.2c/kg. Lightweight yearling steers to feed averaged in the high 180c range with sales to 212.2c/kg. Medium weights to feed averaged 185c with the very occasional B muscle class reaching 234.2c/kg. Heavy feeders made to 202.2c, while some to the trade reached 214.2c/kg. Lightweight yearling heifers mostly sold in the 170c range with some to 185.2c/kg. Heavyweights to feed averaged 175c with some to 193.2c and slaughter descriptions averaged 187c and made to 190c/kg.

Bullocks made to 211.2c to average 207c/kg. Medium weight 2 score cows averaged 138c and heavy 3 scores 170c, while the good heavy cows made to 199.2c to average 193c/kg. Heavy bulls made to 214.2c to average 205c/kg.
