

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

Queensland

report date 20 Feb 2015

Dry conditions returned to much of the state last week and the OTH rates followed the physical market and eased 11-14¢/kg cwt. However, prices have come off a relatively high base and are still well above year-ago levels, with grass-fed trade steers (240-260kg) averaging 430¢ and heavy cows (over 300kg) averaging 408¢/kg cwt.
