

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

Queensland

report date

17 Apr 2015

Grassfed over-the-hook prices improved across all categories this week, with reports of southern supplies becoming tight. Following the second short week, slaughter across the state remained low, with just over 67,000 head processed during the four days ending the 10th of April. Grainfed lines were mostly unchanged week-on-week.
