

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

Queensland

report date

01 May 2015

Prices steadied this week, following four weeks of improvements. Across the state, trade steers (240-260kg) are averaging 411¢ while the same weight and dentition MSA certified lines are making 453¢/kg cwt. Heavy grown steers are averaging 415¢ and medium cows are selling for 367¢/kg cwt. Northern supplies are reported to be strong while southern rain, particularly in NSW, has put pressure on numbers coming through to the system.
