

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

Queensland

report date 08 May 2015

Across the state, average over-the-hook grass and grainfed prices crept higher this week. While there are reports of southern supplies tightening, following good rain across eastern NSW and into south-east Queensland, supplies further north are reported as steady. Total Queensland adult cattle slaughter increased 4% week-on-week and was up 3% on year ago levels, at a little over 88,000 head.
