

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Toowoomba Landmark

report date 11 May 2015

Yarding Change 483  
186

comparison date 04/05/2015

There was a small lift in supply and young cattle were in the largest numbers, along with a relatively small selection of cows and only a handful of heavy grown steers. Export buyer attendance was generally good however the trend of some not operating to full capacity continued. Trade and feeder buyer representation was good along with an increased number of restockers. Young cattle sold to strong competition with only quality related price changes. Cows improved in price despite some operators displaying less interest.

Some selected vealer steers with show ring potential made to 310c to average 300c while the remainder sold around 259c/kg. Vealer heifers to feed averaged close to 220c/kg. A run of well-bred yearling steers to restockers made to and averaged 268.2c/kg. Heavyweights to feed averaged 246c and a few better lines averaged 261c, reaching 262.2c, while a couple to the trade reached 268.2c/kg. Lightweight yearling heifers to feed averaged 209c and medium weights to the trade averaged 227c/kg.

Medium weight grown steers to feed averaged 215c and a couple of heavy grown steers to export slaughter averaged 230c/kg. Medium weight 3 score cows averaged 188c and good heavy cows made to 212.2c to average 202c/kg. Heavy bulls made to 217.2c/kg.
