comparison date 01/06/2015

A return to the normal selling program resulted in a large number of stock being penned. A fair sample of young cattle came forward, as well as some consignments from far western districts. Buyer attendance was generally good, with representatives covering all classes. Feeder operators, restockers and the trade provided good support across most classes of young cattle. Heavy grown steers and bullocks experienced strong competition for the quality penned and cows met a similar trend.

A handful of calves to restockers made to 278.2c, averaging 266c, and a few vealer steers made to 280c/kg. Medium weight yearling steers to feed averaged 253c and made to 264.2c, while heavy weights to feed averaged 247c and made to 259.2c/kg. A couple of heavy weights to the trade made to 283.2c/kg. Medium weight yearling heifers averaged 233c and heavy weights 226c, with sales to 245.2c/kg.

Plain condition heavy grown steers averaged 208c and a couple of good bullocks made to 233.2c/kg. Medium weight 2 score cows averaged 162c and good heavy cows made to 211.2c, averaging 203c/kg. Heavy bulls made to 233.2c/kg.
