

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Warwick

report date 16 Jun 2015

Yarding Change 1050  
-642

comparison date 09/06/2015

The forecast of some rain reduced supply by 38% week-on-week. Not all the regular exporters were in attendance, however most of the usual feeder operators and trade buyers were present, along with some restockers. The chance of some rain lifted restocker enthusiasm and most young light weight cattle improved in price. Yearling steers and heifers to feed regained the previous week's losses, with domestic feeders improving the most to average 15c to 16c/kg better. Despite a reduced buying panel in the export section, bullocks averaged 7c dearer and a good sample of cows lifted in price by 9c to 10c/kg.

A fair sample of calves returned to the paddock at 244c, with the occasional sale to 292.2c/kg. Vealer steers sold to restockers at 253c, with some to 270.2c/kg. Vealer heifers generally improved in price to average 3c better at 228c, with sales to 248.2c/kg. Medium weight yearling steers to feed averaged 278c and made to 286.2c/kg. A small selection of heavy feeders averaged 253c and made to 260.2c/kg. Medium weight yearling heifers to feed made to 245.2c, with a fair sample averaging 235c/kg.

Bullocks made to 245.2c to average 244c/kg. Medium weight 2 score cows averaged 176c and made to 187.2c/kg. Good heavy cows made to 217.2c and averaged 206c/kg. Heavy bulls made to 227.2c/kg.
