

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

Queensland

report date

03 Jul 2015

After about five weeks remaining steady, over-the-hook prices lifted, following recent rain and strong gains in saleyard prices. Over-the-hook prices, on average, lifted 4-5¢/kg cwt for both grass and grainfed categories. While still above year-ago levels, weekly Queensland adult cattle slaughtered declined slightly last week, to a little under 88,000 head.
