The smaller yarding contained a fair mix of yearling steers and heifers plus heavy grown steers, bullocks and cows. All the usual buyers were in attendance and operating in a firm to dearer market. Feeder operators provided the strongest competition and were pushed on in places by restockers and the trade and prices responded accordingly. Heavy grown steers and bullocks sold to a strong market while cows were firm to dearer.

The occasional vealer heifer made to 330c while the remainder averaged 298c/kg. Light weight yearling steers returning to the paddock made to a top of 333.2c to average 314c/kg. Medium weights to feed averaged 315c and heavy weights to feed and the trade averaged 316c/kg. Light weight yearling heifers to feed averaged 286c and trade descriptions returned 270c/kg. Well-presented heavy weight yearling heifers sold to the trade at 307c with some to 311.2c/kg.

Heavy grown steers made to 312.2c to average 296c while the bullock portion made to 310c to average 300c/kg. Medium weight 2 score cows averaged 225c and good heavy cows made to the occasional 279.2c to average 266c/kg. Heavy bulls made to 286.2c/kg.
