Yarding Change ⁸²⁰⁵/₉₅₆

comparison date 15/09/2015

Yarding numbers increase again this week. Restocker buyers were eager to secure light weight yearling steers, with strong competition from feedlot buyers on heavier weaner steers and heifers. Overall, quality of the yarding was mixed with buyer support remaining strong across all classes of store cattle. Feedlot buyers were active on medium weight steers and heifers with prices lifting 5c/kg. All the usual feedlot buyers provided solid competition for heavy weight yearling steers and medium weight grown steers.

Light weight yearling steers reached 368c and slightly heavier sorts sold between 360c and 336c, with most averaging between 326c and 312c/kg. Steer calves sold to 366c and averaged 343c, while heifer calves made to 298c and averaged 297c/kg. Medium weight yearling steers to feed reached 344c and averaged 323c, while those going to restockers reached 336c and averaged 314c/kg. Heavy weight yearling steers to feed earned to 338c and averaged 317c/kg. Light weight yearling heifers topped at 320c and averaged around 285c/kg. Medium weight yearling heifers to feed sold to 328c and averaged 302c, up 5c/kg. Good grown steers reached 298c/kg.

Medium weight 3 score cows made to 251c and averaged 235c, up 7c, while heavy weight 4 score cows reached 276c and averaged 267c, up 4c/kg. Young, good quality Droughtmaster cows with 1 to 2 month old calves sold to \$1,440, while most averaged \$1,014/unit.
