

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

Queensland

report date

13 Nov 2015

The Queensland over-the-hook indicators continued to rise this week, with some contributors lifting grass-fed lines 5-10¢/kg cwt. Grainfed quotes were unchanged on the previous week. Please note, due to one contributor not quoting this week, the trend has not been included on the grass-fed steers and cows.
