Numbers were slightly down from the previous sale of two weeks ago. Cows dominated the yarding along with a relatively small selection of heavy grown steers and bullocks. The fair panel of export slaughter buyers in attendance and operating also included some southern buyer activity. Heavy grown steers and bullocks sold close to the prices of two weeks ago. However cow prices could not maintain the levels of the previous sale and lost 5c to 10c/kg.

Heavy grown steers to export slaughter made to 320.2c to average 316c and bullocks also averaged 316c and made to 320c/kg. A fair sample of grown heifers made to 290c with most around 276c/kg. Plain condition cows returning to the paddock made to 242.2c to average close to 240c/kg. Medium weight 4 scores averaged 243c and made to 247.2c/kg. A fairly large sample of good heavy cows made to 266.2c to average 257c/kg. Heavy bulls made to 266.2c/kg.
