Yarding Change 1087
-158

comparison date 07/07/2016

There was a small reduction in supply and good heavy cows continued to dominate the selling pens. The bullock section contained some of the first oats fed consignments for the season. A fair panel of buyers was present and operating however one of the major exporters from the previous week was absent. Heavy grown steers and bullocks lost some of the gains experienced the previous sale. This trend also flowed onto the better end of the cows while plain condition classes generally remained unchanged in price.

Heavy grown steers made to 317.2c to average 315c/kg. The best of the bullocks off oats made to 328.2c on a few occasions while the remainder mostly sold around 318c/kg. A small selection of heavy grown heifers made to 304.2c to average 296c/kg. Medium weight 2 score cows averaged 228c and made to 234.2c/kg. The best of the medium weights made to 260c to average 255c/kg. A large sample of good heavy cows made to 278.2c in pen lots with most close to 266c/kg. Heavy bulls made to 290c/kg.
