

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba	report date 29 Aug 2					
Yarding 816 Change -14	comparison date	22/08/2016				

Numbers were similar to last week for a yarding of 816 head. Young cattle made up the largest percentage of the yarding, while there was a small penning of grown cattle. Quality of the young cattle was mixed with a few pens of well finished yearlings that were off crop or supplementary fed, along with a few pens of some well bred cattle, however most of the young cattle were fairly plain.

The market continued to be strong with restockers keen to acquire cattle following good falls of rain and the outlook of a good spring. Restocker weaner steers sold to a top of 408c and calves toped at 410c/kg. Vealer heifers to slaughter sold to a top of 362c and the restockers paid up to 375c/kg. The few trade yearling steers sold to a top of 357.2c and trade yearling heifers sold up to 338c/kg. Feeder and restocker yearling steers sold to 398c and heifers sold to 358c/kg.

The yarding of export cattle consisted of a few pens of bullocks and steers, and heifers and a small penning of cows. Quality was very mixed with the exception of a few pens of well finished bullocks off crop and an odd pen of heavy cows. Competition was strong with bullocks and steers selling up to 10c dearer toping at 324.2c, while heifers sold to 284c/kg. The cow market was 7c to 10c cents dearer in places with medium weights averaging 244c and heavy cows sold to a top of 264c/kg.
