There is still a problem moving cattle out of some of the supply areas, however there was a yarding of 1,600 head at this week's store sale. The yarding consisted of mainly lighter weight yearlings and weaner cattle, along with a fair penning of grown cattle. Quality of the young cattle was fairly good with several runs of well bred steers and heifers suitable for restockers and backgrounders, however there was limited numbers of yearlings in the feeder weight ranges available.

There was a very strong market with prices equal, to dearer, compared to previous sales. Light steer calves sold to a top of 440c, while restocker weaner steers topped at 432c to average 420c, and restocker weaner heifers topped at 397c to average 390c/kg. Restocker yearling steers averaged 404c, while feeder heifers averaged 363c/kg.

Grown steers to feed sold from 350c to 366c/kg. The cow market was firm to a dearer trend, with medium weights averaging 253c and heavy cows sold to a top of 281c/kg. Heavy bulls sold to a top of 306c/kg.
