Numbers doubled the previous weeks wet weather yarding and overall quality was fair to good across most classes. A fair panel of buyers was present and all were operating. Restockers continued to be the major buyers on the light weight young cattle and average prices lifted to a higher level. Yearling steers and heifers to feed also improved in price and local trade lines also experienced a dearer trend. Cows received strong demand from processors as well as restockers, with prices gaining a further 6c to 9c/kg.

Calves to restockers made to 436.2c, with most around 397c/kg. A relatively small sample of vealer heifers averaged 377c and made to 392.2c/kg. Light weight yearling steers returning to the paddock made to a top of 430.2c with a fair selection averaging 407c/kg. Medium weight yearling steers to feed averaged 409c with one consignment reaching 425.2c/kg. A small sample of heavy weights to feed averaged 358c and made to 364c/kg. Light weight yearling heifers to feed and restockers mostly sold in the early to mid 380c range with some to 395.2c/kg. Medium weight yearling heifers to the trade made to 374.2c to average 358c/kg.

Heavy grown steers made to 333.2c and bullocks made to 335.2c to average 326c and full mouth bullocks were not far behind to average 325c/kg. Medium weight 2 score cows averaged 243c and good heavy cows made to 292.2c to average 278c/kg. Heavy bulls made to 339.2c/kg.
