

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba

report date 14 Nov 2016

Yarding Change ¹⁰⁷¹/₄₅

comparison date 07/11/2016

Numbers remained close to the previous week's level and the usual panel of buyers was present and operating in a firm to dearer market. Fair to good quality young cattle were in the largest numbers along with a small selection of heavy grown steers and bullocks and a reasonable penning of cows. Restockers provided stronger support on light weight yearling steers and heifers and medium weight yearling steers to feed improved in price by 4c to 5c/kg. Medium weight yearling heifers to feed also experienced a stronger market. Heavy grown steers and bullocks to export slaughter gained 3c to 4c and this trend flowed onto the cows with improvements of 7c to 10c/kg.

A good sample of light weight yearling steers returned to the paddock at an average of 374c with sales to 404.2c/kg. Medium weight yearling steers to feed averaged 338c and made to 349.2c/kg. A small sample of heavy weights to feed made to 339.2c to average 330c/kg. The largest numbers of light weight yearling heifers averaged 349c with a few to restockers making to 388.2c/kg. Medium weight yearling heifers to feed averaged 345c and sold to 358.2c/kg.

Heavy grown steers to export slaughter averaged 293c and bullocks made to 299.2c to average 297c/kg. Medium weight 2 score cows averaged 223c and made to 232.2c/kg. Good heavy cows mostly sold around 250c with the occasional pen to 255.2c/kg. Heavy bulls made to 257.2c/kg.
