Market Comments
Week ending 09/12/2011

Several lines of cows and calves were making back above the \$1500 mark. Black Baldy heifers with Angus calves at foot made \$1610; and Charolais/Angus mixed age cows with Angus calves at Walcha sold for \$1550. In SA mixed age joined Angus cows made \$1040, and in QLD Charbray mixed age cows PTIC to Angus bulls sold for \$890. Joined heifers made up to \$1240 for 21 month old Hereford heifers in calf to Hereford bulls at Hamilton, and further north at Guyra 24 month old Charolais heifers in calf to Angus bulls sold for \$1100.

EYCI finished the week at 410.50c, up almost 6c on the previous week. The lighter end of the steer market was making close to the \$3 mark, with only one line of Angus and Black Baldy steers weighing 190kg going over to reach 307c. 350 kg yearling Angus & Angus cross steers in northern NSW made 252c, and in Victoria light conditioned Charolais/Angus steers weighing 400kg sold for 208c.

A huge week for sheep and lambs saw numbers more than double, totalling 81,570 head, with just over 50,000 listed in our regular sales. Cattle numbers were also strong, up 500 to finish at 5,680 head.

Young first cross future breeders were hard to find again this week, aside from ewe portions of mixed sex lines of lambs. Border Leicester/Merino 6 month old ewe lambs at Condobolin sold for \$155.50; Cashmore & Oaklea blood Composite ewe lambs made to \$200.50, with 18 month olds selling for \$215. Ready to join Merino ewes topped at \$190.50 for Mumblebone blood 16 month olds at Nyngan with a big jacket, and most selling above the \$140 mark. In SA a line of 5 year old Collinsville blood ewes with less than an inch of wool sold for \$132.50. Young wool grower wethers made to \$124 for bare shorn Hillcreston blood 2 year olds, with one to one and a half year olds in the \$80-90 range.

Many restockers are taking advantage of the amount of feed around at the moment to buy lambs, and this shift in focus has allowed processors to be much more active on older sheep. 6 year old wethers at Merriwa estimated to dress 25kg with a ¼" skin made 442c/kg carcass weight or \$111, and 4 year old wether to dress 21kg sold for 403c/\$85, also with only ¼" skin. These mutton prices are much better than we have seen recently, though quality is also better.

Big numbers of lambs were offered this week, in regular sales as well as several special feeder lamb sales. Shorn 2nd cross Poll Dorset lambs weighing 40kg at 6 months made \$113.50; 4 month old 2nd cross Dorset & White Suffolk shorn lambs at 34kg sold for \$114. Lambs around 30kg topped at \$99, ranging from high \$80's.

Next Friday 16/12 will be our last cattle sale for this year, and our last sheep sale will be Tuesday 20/12.
