

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date 03 Jun 2011

A dearer trend was recorded for most categories as a few processors moderately increased rates, while the majority keep rate changes on hold for another week. Supply of suitable trade cattle has slowed due to the rain, prompting the stronger trend.

Grown cattle rates were also stronger with processors chasing larger volumes.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
