

Feeder report - cattle

Market information provided by MLA's National Livestock Reporting Service

Eastern States

report date 17 Jun 2011

The uncertainty surrounding the market has placed downward pressure on all paddock sale prices. Recent heavy frosts have also increased supplies while the lack of demand for beef is hampering the demand for finished cattle both export and on the domestic market.

Physical market prices last week were mostly firm to cheaper.

Domestic Paddock Sales

Category	Weight Range	Dentition	Low Price c/kg (live)	High Price c/kg (live)	Average c/kg (live)	Trend
Steers	280-350	0	190	220	207	-5
Heifer	280-350	0	180	210	198	-6
