

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 28 Jun 2011

Yarding Change 3340
-2130

comparison date 21/06/2011

Numbers dropped for the last store sale of the financial year, as many livestock producers have already sold or decided to hold cattle back after recent market price declines. Despite the smaller yarding buyer attendance was good with representation across all categories. This resulted in lightweight yearling vealer steers improving 2c, while light yearling heifers jumped 3c/kg. Feeder steers rose 4c/kg this week, while medium weight yearling heifers to feed held firm in price.

Vealer heifers were mixed in quality and type but still reached 200c and averaged 195c, down 2c/kg. Lightweight yearling steers topped 240c and averaged 220c, up 2c/kg. Medium weight yearling steers to feedlot buyers improved 7c and earned to 207c and averaged 187c/kg. Those selling to restocker buyers topped 204c and averaged 191c, up 7c/kg. Heavy weight yearling steers to feed sold to 185c and averaged 175c, up 4c/kg. Lightweight yearling heifers made to 202c and averaged 196c, up 3c/kg. Medium weight yearling heifers to feed hit 200c and averaged 187c, unchanged on last weeks rates.

A few grown steers to feed made to 169c and averaged 165c, up 1/kg. A small sample of plainer grown heifers to processor buyers averaged around 153c/kg.

Medium weight 3 score cows averaged 125c, down 2c, while medium weight 4 score cows reached 142c and averaged 140c, which was unchanged on last weeks prices. Only a couple of pens of cows and calves were yarded with a top of \$920/ achieved and averaged \$757/unit.
