

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Great Southern Saleyard

report date 30 Jun 2011

Yarding Change 551
-106

comparison date 23/06/2011

The smaller yarding was dominated by young store grades once again. Trade and heavy weight steer and heifer supplies remained limited with cow numbers also lower.

Generally trade demand for trade and heavy weight steers and heifer remained similar with little change recorded in values. Store demand for steers eased after the very strong demand seen recently, while heifers reversed the lower trend of the past couple of weeks.

The smaller cow yarding was of a more mixed quality and weight. This coupled with a weaker trade demand saw a solid fall in rates, while heavy weight bull rates were similar.
