report date 12 Jul 2011

Yarding Change 4850
-3350

comparison date 05/07/2011

Cattle numbers returned to normal and were drawn from across western Queensland. A large number of young light cattle were yarded with light weight yearling steers failing to find as much restocker buyer competition as last week. Meanwhile, the light weight yearling heifers met very strong demand from both restocker and feedlot buyers which pushed prices up by 8c/kg. Heavy feeder weight steers also improved by 1c/kg. Only a small number of cows were penned and competition between processor buyers increased prices by 2c/kg.

Calves sold to 215c and averaged around 208c/kg. Vealer heifers made to 200c and averaged 194c, down 2c/kg. Light weight yearling steers reached 222c and averaged 213c, down 8c/kg. Medium weight yearling steers topped at 212c and averaged 183c, down 24c/kg. Heavy weight yearling steers to feed earned to 181c and averaged 175c, up 1c/kg. Light weight yearling heifers to feedlot buyers sold to 203c and averaged 193c, up 8c, while those sold to restockers also made to 203c and averaged almost 201c/kg. Medium weight yearling heifers to feed reached 200c and averaged 193c, up 11c/kg.

A few grown steers to feed topped at 160c and averaged 156c/kg. Plainer muscled grown heifers averaged 157c/kg.

Medium weight 3 score cows made to 138c and averaged 130c/kg, unchanged on last weeks prices. The medium weight 4 score cows hit 142c and averaged 141c, up 2c/kg. Cows and calves topped at \$990 and averaged \$730/unit.
