Yarding Change 835
-155

comparison date 18/08/2011

The moderate yarding saw heavy weight steer and heifer supplies remain limited, with reasonable numbers of trade weight yearling penned. Cow supplies were limited, while young store grades accounted for the majority of the yarding.

Trade and heavy weight steer and heifers enjoyed solid processor competition to record similar prices. The store market was very strongly supported by the restocker and feeder sectors with most prices at dearer levels.

The cow market was also dearer due to increased processor competition with all classes seeing firm prices paid, while heavy weight bull sales remained similar.
