comparison date 05/09/2011

The number of cattle yarded was well down, with vealers and yearlings well supplied, while grown cattle were down in numbers. The yarding of young cattle consisted mainly of vealers and some mainly light yearlings through the sale. Quality was mixed and generally plainer than last weeks yarding.

Competition was strong from restockers and feeder buyers with vealer steers selling to a top of 255.2c, while vealer heifers also gained some ground, selling to 224.2c/kg. Feeder steers were up to 20c dearer selling to a top of 235.2c, while trade yearling steers topped at 215c/kg. Trade yearling heifers sold to 222.2c/kg.

The yarding of export cattle was well down in numbers with only an odd pen of steers and heifers and a small penning of cows. Quality was fairly mixed however, the market was stronger for all classes of export cattle.
