

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba Elders

report date 26 Sep 2011

Yarding Change 623
-150

comparison date 19/09/2011

The yarding was well down consisting of a good supply of young cattle and a fair penning of grown cattle. The yarding of young cattle was made up of several pens of well finished supplementary fed yearlings however, quality fell away in the light young cattle, although there was a few pens of well bred cattle suitable for restockers.

The market was firm to a dearer with vealer heifers to slaughter 8c dearer topping at 229.2c/kg. Restocker vealer steer were up to 10c dearer with very light steers topping a 266.2c, while medium weight sold to 246.2c to average around 231c/kg. The good yarding of trade yearling steers gained 6c topping at 218.2c to average 210c/kg, while feeder steers sold firm to slightly dearer. Trade yearling heifers followed a similar trend to the steers after selling to 223.2c/kg.

The yarding of export cattle consisted of a good run of grown steers and bullocks, many crop finished or supplementary fed. Grown steer were up to 6c dearer to average 200c/kg with the younger steers making the premium prices. Grown heifers gained some ground, while the cow market was firm to slightly dearer.
