

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

CTLX

report date 11 Oct 2011

Yarding Change $\frac{1327}{-3}$

comparison date 04/10/2011

Numbers remained steady and the quality was mixed, with a limited supply of well finished trade cattle. Vealers were in short supply and a large number of the yearlings were suitable for restockers and feeder orders. Grown steers were in better numbers and there were around 270 cows offered to all the usual buyers in a mostly cheaper market.

Vealers sold to cheaper prices, with steers reaching 235c/kg to restockers. Medium weight heifers ranged from 205c to 223c/kg to the trade. Yearling trade steers gained 2c/kg for the heavy run but lost ground on the medium weights. The better steers ranged from 185c to 225c/kg. The medium weight feeder steers eased 7c and those returning to the paddock gained 3c/kg. Restocking lines sold from 215c to 235c and feeders averaged 213c/kg. Trade heifers lost 5c ranging from 181c to 214c/kg.

Grown steers to feed lost 2c, averaging between 200c and 207c/kg. Heavy steers were 1c to 4c cheaper and the heavier bullocks were 1c/kg back. They ranged from 173c to 200c/kg. Cows went against the cheaper trend with the 3 and 4 score cows gaining 4c to 5c and as much as 10c/kg. The better covered cows ranged from 147c to 172c/kg for heavy weights.
