

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date 11 Nov 2011

Direct to works rates were lower, with several processors decreasing rates by at least 10¢/kg cwt. Cattle throughput has increased recently, with plenty of good quality drafts turned off from all areas of the state. Demand is steady for all categories, while the building numbers has slightly eased competition.

No trend is quoted due to the inclusion of a new contributor.
