

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Naracoorte

report date 15 Nov 2011

Yarding Change ¹⁸⁹²/₅₀₁

comparison date 08/11/2011

A larger good quality yarding of local and pastoral bred contained 1,343 young cattle, 379 grown and manufacturing steers, 67 grown heifers and 36 bulls. Trade and processor competition was solid from the usual SA and Victorian buyers, with strong feeder and restocker demand also adding to the mixture of orders.

Vealer steers to the trade sold from 196c to 234c with B2 lightweights 6c cheaper, the B2 medium weights 2c dearer and C2 lightweight's 12c/kg dearer, as they struggled to source the lightweights due to the solid feeder and restocker demand. Their purchases were generally from 195c to 224c, or 2c to 10c/kg dearer on mainly Angus lightweight steers. Vealer heifers to the trade in fresh quality runs sold from 190c to 231c at prices 7c to 10c/kg cheaper. A small numbered line of pastoral bred sold at 200c/kg.

Yearling steer C3 medium and heavyweights sold from 192c to 210c to be 4c to 7c/kg dearer. Feeder C2 and C3 sales of medium and heavyweights ranged between 185c and 216c/kg at fluctuating prices. Yearling C3 and C4 heifers sold from 170c to 195c to be 3c to 5c/kg cheaper. The pastoral bred sold generally between 142c and 173c, or 1c to 11c/kg less. Feeder purchases of C2 and C3 mainly medium weight Angus heifers sold from 193c to 201c at prices up to 6c/kg dearer.

Grown steer and bullocks sold from 175c to 200c to be unchanged to 8c dearer, or 325c to 350c/kg cwt. Grown heifer C3 and C4 sales were from 176c to 184c to be averaging around 10c/kg dearer. Beef manufacturing steers sold from 140c to 173c to be 4c/kg dearer.

Light bulls to wholesale, feeder and a processors restocker order sold from 160c to 190c/kg. Other sales of mainly heavyweights were from 162c to 172c/kg with a restocker paying the highest price.
