

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 15 Nov 2011

Yarding Change $\frac{1252}{226}$

comparison date 08/11/2011

A spell of hot dry weather contributed to a lift in supply, and overall quality was generally good. Feeder operators, restockers and trade buyers maintain strong buying pressure on most classes of young cattle. A full panel of export buyers were present and operating, and values for heavy steers and bullocks improved a further 4c to 5c/kg. Cows also experienced a lift in price of 5c to 7c/kg on top of the previous week's gains.

Lightweight yearling steers returned to the paddock at an average of 241c with sales to 252.2c/kg. A good selection of medium weight yearling steers to feed averaged from 214c to 224c, with the occasional well-bred pen reaching 249.2c/kg. Heavyweights to feed averaged 7c dearer at 210c and slaughter descriptions averaged 8c better at 208c, with sales to 223.2c/kg. Lightweight yearling heifers to restockers averaged 221c and made to 225c/kg. Heavy yearling heifers to feed averaged 190c and a small selection of trade descriptions averaged 197c and made to 215.2c/kg.

Heavy steers to export slaughter averaged 202c and made to 205.2c, while the bullock portion averaged 199c and made to 204.2c/kg.

Medium weight 3 score cows averaged 148c and sold to 158c/kg. Heavy 3 scores averaged 157c, and good heavy cows mostly sold around 170c with the occasional sale to 179.6c with some returning \$1342/head. Heavy Bulls made to 172.6c/kg.
