

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 29 Nov 2011

Yarding Change $\frac{212}{6}$

comparison date 22/11/2011

A similar size penning included some good quality bullocks and a larger number of good to very good quality beef cows. All of the regular buyers were present and active, with some extra restocker competition on the cows. All of this created strong demand and prices were 1c to 4c/kg dearer.

There were 13 bullocks penned, and one pen of good quality Angus bullocks made 180.6c, all others made from 163c to 183c/kg.

Demand varied for beef cows, with most in heavy weight condition. Prices ranged between 153c to 167c, with over-conditioned 6 score cows from 136c to 156c/kg. Trade purchases for other cows were mostly between 115c and 153c, while restockers paid anywhere from 123c to 161c/kg. The carcass weight price average was estimated to be 300c/kg.

Some excellent quality heavy bulls were penned, although competition was limited. Prices were between 172c to 179c, with other good quality between 164c and 172c/kg. Prices were unchanged.
