

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Naracoorte

report date 02 Dec 2011

Yarding Change  $\frac{1275}{226}$

comparison date 25/11/2011

A larger good quality yarding contained 1,214 beef and pastoral bred cows together with 45 bulls. Solid SA and Victorian processor competition was provided by the usual buyers. Restocker orders were also active on medium weight beef cows, while quite a few cows including some of the pastoral bred were sold to NSW orders.

The D2 to C5 medium and heavy beef cows sold from 125c to 162c at prices ranging from 4c cheaper early before finishing unchanged to 5c dearer, and generally 280c to 320c/kg cwt. The pastoral bred in fresh quality lines sold from 148c to 163c, or unchanged to 7c/kg cheaper and were averaging 305c/kg cwt overall. Restocker purchases were from 130c to 157c to be around 5c/kg dearer. Medium and heavy beef bulls to processors sold generally from 138c to 173c to be basically unchanged, with a few Friesian bulls at 142c/kg.
