Market Comments
 Week ending 09/03/2012

Cattle numbers this week finished at 5709 head, a drop of around 1000, with the vast majority of cattle coming from Queensland and northern parts of NSW. Sheep and lamb numbers jumped over 10,000 to total 71,114.

Many of the Merino ewes listed this week were in the 5-7 year old age group, and consequently prices appeared lower across the board, with most of these ewes falling in the \$80-100 range. The Bourke region has recently been a regular supplier of good quality young ewes, many with renowned Haddon Rig bloodlines, and this week 18 month old unjoined ewes with a big jacket sold for \$192. Further south in Victoria, two-year-old Snowy Plains & Terrick West blood unjoined ewes made \$130. Better quality first cross young ewes sold well, while competition on older crossbred ewes came mainly from processors. 18 month old Border Leicester/Merinos out of Benalla, scanned to Poll Dorsets, made \$180, and a lot of lambs of this traditional cross at Glen Innes made \$176.

Young Merino wethers with a few months of wool on their backs were making \$85, with a line of Mulloorie blood lambs out of Broken Hill making \$99.

In our Eastern States sales today, young cattle prices were stronger in the north.

A large line of yearling Droughtmaster steers weighing 288kg out of Longreach made 219c, with the heavier end at 330kg selling for 207c. At Bowenville, crossbred 12-14 month old steers weighing 274kg sold for 221c, while their 264kg sisters made 213c. Southern buyers were strongly competitive in the Lithgow Plains offering of almost 1000 top quality Angus and Angus cross weaners. The tops at 286 kg sold for 249c, and the lighter end topping at 291c.

Some good quality cows with calves were on offer today, with mixed age Charbray cows with Santa & Charolais calves making \$1305 at Blackall, and older Santa/Droughtmaster cows with Droughtmaster calves at Roma selling for \$1215.

Competition was also strong for young joined females, which is always a positive sign. 2 year old Hereford heifers at Moree, in calf to Hereford, sold for \$1210. Further south in NSW yearling Angus and Angus/Santa heifers in calf to Angus made \$1010.
