

AuctionsPlus market comment week ending 4 May 2012

Sheep and lamb numbers this week were slightly improved at 44,791 head whilst Cattle numbers slipped down to 7,133 head and included two specials sales, Monaro Angus and Web Angus. With Cattle numbers and prices slipping one wonders if producers are keeping out of the market until we see an improvement. The auctions were not short of buyers though with a minimum of 100 registered buyers and a maximum of 185 (in Tuesday sheep) participating in each auction.

There were plenty of Merino Ewes on the box from all age groups but the pass in rate was up from previous weeks. From Boorowa, NSW 170 Merino Ewe lambs, just 7 months old, 11.8 kgdw, 1.75" skin with Barrackville blood made \$100. In Rochester Victoria, 230 2-3 yr old Border Leicester cross Merino Ewes at 28.4kg dressed with 2"skin, SIL sold for a reasonable \$203 whilst 720 unjoined Merino ewes, 2-3 yrs and 16.1kg unjoined with Roselea bld sold for \$107 ex Ilfracombe, QLD. Down in Cooma, 290 5 year old Merino Ewes weighing in at 22.1 kgdw with 1.5" skin, SIL and with Severn blood sold for \$138 and 1,000 6-7 year old Merino Ewes at 16kgdw and ¼'skin with Boonoke Blood selling for \$60. Over in Nyngan, 896 Border Leicester lambs just 6-7 months and a weight of 16.8Kg are dressed sold for \$97.50. Broken Hill offered 600 White dorper cross Wether lambs just 6-7 months old sold for \$67.50 and same cross 450 Wether lambs a bit older at 10-11 months, 18.2 kgdw, sold for \$77. Down in Benalla 220 Border Leicester ewe lambs at 7 months of age dressing 15.9Kgs and 1.75" skin sold for \$133.50. Finally down in Tassie 280 Merino Wethers with 4-7 years of age dressing at 22.3Kg and 1.5' skin sold for 318c or \$71.

The cattle market should have been showing signs of fatigue with big yarding's and falling prices over the last few weeks but prices seemed to just hang in there. In Wee Waa, 31 Angus Cross Steers at 8-9 months, 225kg sold for \$665 and from Cunnamulla 67 Angus Steers at 7-12 months and weighing 328kg sold for 206c/\$675. 76 Shorthorn Steers weighing 278kg at 8-10 mths sold for 230c/\$640, and 45 Angus steers at the same age but at 312kg with Dulverton blood sold for 219c/\$685 at Willowtree and then there were 70 Angus Steers ex Merriwa, still at 8-10 months that sold for a good 236c/\$710 at 301kgs. Light weight heifers looked slightly cheaper, kicking off in, Cooma, 20 7-8 month old Angus Heifers at 289kg from Hazeldean blood sold for 228c/\$660 to Roma where 120 Hereford Heifers just 10-14 months and unjoined with a weight of 342kg made 182.90c/\$626. 60. Walcha 121 Angus Heifers, 14-16 months weighing 306kg, Unjoined made 201c/\$615. To Uralla where Angus Heifers at 18-20 months, 434kg and unjoined with Web Blood (offered in the special sale) made 199c/\$865. A couple of quick mentions for Cows that seem to be a little quieter, at glen Innis we saw 26 Angus Cows and Calves 2-3 year olds selling for \$1380. 3-4 yr old Angus cows PTIC from Bingara sold for \$805 with Temania blood and in Inverell, 20 Hereford cows, same age PTIC to Angus sold for \$1155. In WA we had 49 Hereford Cows at 8-10 yrs weighing 320.2 kgdw selling for 296c/\$947.

If you are at Beef Week 2012 in Rocky, come and visit us at our stand in Building N. We will be having live sales and demonstrations running for you all week. Come and meet some of the AuctionsPlus team and grab a brochure or two. Don't forget, AuctionsPlus is

looking for a new Market Operator to join our team, Applications close Friday 11th May.
