

Feeder report - cattle

Market information provided by MLA's National Livestock Reporting Service

Eastern States

report date 24 Feb 2012

Paddock feeder rates were lower with contributors making the biggest adjustments for lightweight, domestic fed cattle. Demand for short and mid fed cattle was generally firm, with availability improving.

Physical market prices were also cheaper as more suitable young cattle were penned, reducing competition.

Domestic Paddock Sales

Category	Weight Range	Dentition	Low Price c/kg (live)	High Price c/kg (live)	Average c/kg (live)	Trend
Steers	280-350	0	200	245	221	-1
Heifer	280-350	0	195	215	206	-1
