comparison date 24/02/2012

A smaller quite good quality yarding of 339 cows and 35 bulls was offered. These sold to strong SA and Victorian processor competition at generally dearer levels, following the dearer trend of recent days. Restocker orders were also active on limited numbers of plain quality beef cows with some having been depastured with bulls.

Restockers purchased D2 medium and heavy beef cows from 132c to 142c which was 7c/kg dearer. Processors sourced medium and heavy beef cows from 132c to 167c with one lightweight pen at 125c/kg. This tended to leave most sales unchanged to 11c dearer and generally from 285c to 320c/kg cwt. Medium and heavy bulls sold from 144c to 169c to be 8c to 12c/kg dearer.

This is the last split sale before reverting back to all categories next Tuesday.
