

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date 09 Mar 2012

Most contributors have taken a wait and see approach with only minimal changes realised to rates. Supply is going to be impacted with flooding and road closures which may result in rates climbing as processors have to go further a field to secure cattle. Export demand though remains sluggish.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
