

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date

16 Mar 2012

Cattle rates were slightly dearer over most categories as several processors increased rates in response to the dearer price trend in the physical markets. Supplies are beginning to build after the floods, while the higher rates are expected to attract improved supplies.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
