

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

CTLX

report date 05 Jun 2012

Yarding Change 2510
-210

comparison date 29/05/2012

Consignments slipped back for a fair to good quality offering with the younger cattle well supplied. Grown steers were limited as cow numbers nearly doubled for around 680 yarded. The usual buyers competed in a firm to dearer market.

Heavy weight vealers suitable for butcher orders lifted 5c as the best B muscles reached 233c/kg. Medium weight yearling steers to lot feeders improved 8c as heavy weights to feeder and trade orders gained 3c/kg. Yearling heifers generally sold at firm prices as heavy weights to the trade ranged from 162c to 217c/kg.

Grown steers sold to lot feeders improved 2c as heavy weights to slaughter lifted 2c to 3c, with the best reaching 192c/kg. The heifer portion maintained their firm prices to sell from 162c to 178c/kg. Cows lifted in quality and improved 2c to 4c/kg. The plainer 2 scores averaged 122c as the better finished 3 and 4 scores ranged from 126c to 148c/kg. Heavy weight bulls sold at similar prices compared to the last market.
