

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 07 Jun 2012

Yarding Change 1380
-2380

comparison date 31/05/2012

Only a small yarding of fair to good quality cattle was offered to the usual buyers and prices lifted compared to the last market. Younger cattle were well supplied with fair percentages of grown steers together with around 250 cows in the market.

Medium weight vealer steers returning to the paddock sold firm to range from 179c to 218c/kg depending on breed and quality. The same weight heifer portion to the trade lifted 7c to sell from 173c to 193c/kg. Light and medium weight yearling steers to feed and restockers improved 7c as heavy weights to trade orders lifted 8c with the best topping at 221c/kg. Yearling heifers sold to restocker orders and gained 5c with quality partly contributing to greater increases for the heavy weights to the butchers as these improved 9c/kg.

Grown steers to feeders lifted 2c to 4c as heavy weights to slaughter maintained their firm prices as the best reached 195c/kg. Cows continued the dearer trend to lift 5c to 6c/kg. The plainer 2 scores averaged 130c as the better finished 3 and 4 scores ranged from 128c to 145c/kg. Heavy bulls remained firm.
