report date 03 Jul 2012

Yarding Change 1810
-650

comparison date 26/06/2012

Numbers slipped and quality was mixed with younger cattle well supplied. Fair percentages of grown steers and heifers together with around 430 cows were yarded. The usual buyers competed in a market that sold on average firm to 8c/kg dearer.

Vealer steers returning to the paddock lifted 8c/kg, however breed and quality contributed in places. Light and medium weight yearling steers to feeder and restocker orders lifted 8c/kg as heavy weights to lot feeders remained firm. Heavy weights suitable for butchers lifted 4c to range from 190c to 216c/kg. Yearling heifers sold dearer as those to feeder orders were limited in supply. Heavy weights sold to the trade and gained 5c to reach 197c/kg.

Medium weight grown steers to lot feeders lifted 2c and more in places as the best younger lots reached 208.6c/kg. Heavy weight grown steers and bullocks to slaughter gained 6c, while the younger pens topped at 199.6c/kg. The heifer portion sold firm in price. Cows continued the dearer trend to improve from 5c to 6c/kg. The plainer 2 scores averaged 130c as the 3 and 4 scores ranged from 126c to 151c/kg. Heavy bulls sold 2c to 4c/kg dearer.
