

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Toowoomba Elders

report date 09 Jul 2012

Yarding Change  $\frac{552}{57}$

comparison date 02/07/2012

It was a similar sized yarding to the previous week and was dominated by young cattle. Only a handful of heavy steers and bullocks came forward and there was a fair sample of cows penned. Buyer representation in the young cattle section was good and a full field of exporters was operating. Apart from adjustments in places due to quality young cattle generally sold to a firm market. Export classes improved in price with cows around 2c/kg dearer.

Calves to restockers made to 215.2c to average 206c/kg. Medium weight yearling steers to feed made to 215c to average 211c and heavy weights sold around 190c/kg. The occasional heavy weights to the trade made to 214.2c with most at 195c/kg. Lightweight yearling heifers to feed averaged 199c and made to 206.2c and medium weights to the trade averaged 193c/kg.

A handful of supplementary fed heavy steers made to 190c to average 189c, while a couple of bullocks made to 179.2c/kg. Medium weight 2 score cows averaged 127c and sold to 130.2c/kg. Heavy 3 scores averaged 138c and 4 scores 144c/kg. Heavy bulls made to 168.2c/kg.
