report date 17 Jul 2012

Yarding Change 1190
-760

comparison date 10/07/2012

Numbers declined following rain throughout the supply area and quality was good. More grown steers and yearlings suitable to processor and trade buyers were yarded. Once again good numbers of young cattle to suit feeders and restockers were yarded. All the regular buyer's competed strongly in the smaller yarding.

Young cattle to the trade sold firm. Young cattle to restockers and feeders were 3c to 5c/kg dearer and more in places. Vealers to the trade sold from 199c to 228c/kg. Good quality steer yearlings sold from 193c to 227c, averaging 213c/kg. Heifer C2 and C3 yearlings ranged from 185c to 221c/kg.

The better quality yarding of grown steers were 7c to 9c/kg dearer. The C4s sold from 299c to 211.2c/kg. The best of the grown heifers made 190c/kg. Limited numbers of cows were 3c to 5c/kg dearer. The D2s sold from 118c to 130c/kg. The better D3 and D4 cows ranged from 132c to 155.2c/kg. Bulls were dearer topping at 189c/kg.
