

## Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Queensland

report date

27 Jul 2012

Prices have remained relatively firm with one processor lifting their rates 5¢/kg cwt to secure enough cattle. Rain last week is still affecting transports throughout the state. The north has reports of good quality cattle on hand however the continual wet winter conditions are taking their toll. The south of the state is feeling the effects of the cooler conditions however supplementary fed cattle are still attainable.
