

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date 14 Sep 2012

The majority of contributors lifted rates as demand for the limited supply of good quality cattle intensifies. Young cattle were generally firm while grown cattle received the greatest improvements of 3c to 4c/kg cwt.

Please note there is no quote for MSA rates due to a regular contributor offering rates again.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
