comparison date 23/11/2012

A smaller good quality yarding containing 767 beef and pastoral bred cows together with 42 bulls, sold to soft SA and Victorian processor competition at lower levels, with some restocker activity late in the sale.

The 2 to 5 score medium and heavy beef cows sold from 85c to 130c at prices generally 1c to 13c cheaper. Some of the 2 scores were up to 24c/kg less predominately due to quality, as restockers continue to be selective in their purchases. The pastoral bred sold from 93c to 124c also at lower levels, as most cows to processors paid from 120c to 125c/kg. Restockers sourced D2 and D3 mainly medium weight beef cows from 91c to 109c/kg. Bulls also retreated in line with the lower cow prices as most sold from 90c to 130c, to be 11c to 13c/kg cheaper.
