

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date 07 Dec 2012

The majority of contributors eased rates by 5¢/kg cwt as supply is easily attainable across the state. The continual dry weather has producers more inclined to send cattle direct-to-works, placing downward pressure on prices. Quality remains good across most categories, despite the dry weather conditions.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
